The market is held in the stunning 18th century Assembly Rooms and Old Courtroom in the Council House, a grade II listed building in North Street; with a curated selection of vendors in a wide range of categories.

Making appearances have been vintage clothing, homewares, furniture and jewellery and very nice, artisan and handmade.

Vintage and Very Nice is a wonderful place to spend some time and find something special to take home.

The Market has a High Street location at unrivalled rates for regional sellers, you can trade for a little as £3.08 an hour!

Established in February 2012 we have recorded footfall of 800-3000 visitors, per day.

New traders

If you wish to trade at VVN Market Bazaar please email us at enquiries@vintageandverynice.co.uk with your details and photos of examples of your stock.

Please be aware if trading vintage, your stock must be at least 75% Vintage or made from vintage, or artisanal vintage inspired crafts where materials used are either made or designed by yourself. Clothing should be genuine vintage, not replica's.

Private traders

We welcome private traders, but please be aware that this is not a carboot sale, and your prices and items should reflect this. Underpricing takes away from our regular traders and also demeans your own stock. However it is a great place to sell with visitors and traders alike.

If you wish to trade at VVN Market Bazaar please email us at enquiries@vintageandverynice.co.uk with your details and photos of examples of your stock.

We ask that you advertise your presence by your normal means as the more people who attend, the bigger the success for all. Having you helping to advertise enables us to keep market costs down, more advertising means more costs that need to be covered by raising prices to trade.
